

CHAPTER V

CONCLUSION AND SUGGESTION

5.1 Conclusion

In this chapter the writers comes to the conclusion and suggestion. The writer found all the types of deixis in the Beyond the Blackboard movie as follows; Personal deixis includes I, me, my, we, us, our, you, your, he, him, she, they, their, them etc, spatial deixis includes here, there, that and temporal deixis includes

now, tomorrow, tonight, next year, today and etc . In this movie the writer found person deixis occurred 1040 times, spatial deixis occurred 171 times and temporal deixis occurred 61 times. Each type also has the functions. First, the function of person deixis is to pointing or referring something or person itself. Second, the function of spatial deixis is to express the location of an utterance. The last the function of temporal deixis is to declare the time of an utterance.

5.2 Suggestions

After getting the result of the analysis, the writer would like to give some suggestion as follow:

1. For the students

Learn about deixis could give them more knowledge and benefit in referring the speaker meaning and it's really helps them to be able to distinguish the types of pronouns according to their respective functions.

2. For the lecturer

This study could help to improve student's grammar especially about pronoun.

3. For the other researcher

For researchers who are interested in researching deixis that more specific one can use this research as a reference.
