

CHAPTER V

CONCLUSION AND SUGGESTIONS

5.1 CONCLUSION

In this chapter the writers draw the conclusion and suggestion. Idiom are language terms used at certain times and also by certain people. Idiom usually used in traditional events. Based on the O'Dell and McChatty, there are eight types of idiom words: a) similes, b) binomials, c) trinomials, d) proverbs, e) euphemisms, f) cliché, g) fixed statements, h) other language. And the functions are idioms are used for emphases, idioms are used to agree with the previous speakers, idioms are used to comment on people, idiom are used to comment on a situations, idiom are used to make anecdote more interesting, idioms are used to catch the readers eye, and idiom are used to indicate the membership of a particular groups. The writer used descriptive qualitative to collect the data and interview technique with five informants with their own criteria. From the data were collected, the writer found all the types of idiom words in Mehara language as follows similes included *eme wob'ari, kattu wowadu, dolila d'ai d'ida, had'a ngaka, worena kattu, happo kelue makae, jara golo, kuri keb'ao, j'alla abba, pemanga ela*, etc. Proverbs includes *b'ata ki'i hed'oka, penga'a wawi hengi'u, ngaka dokeweko rulai and aj'u kemuki le ri ngallu*. And Fixed statement includes *hewakka ai abba, koho kae, meo pad'ara karo, makka taha, appa bhue ela, abo pa tapa, kerabba ella, nga'a ngallu, mola nge* and etc. In Mehara language the writer found similes occurred 16 idiom words, proverbs occurred 4

idiom words, and fixed statement includes 30 idiom words. There were 4 functions of idiom words found in Mehara Language: First, the function of idiom are used for emphasis found 16 idiom words, the second is idiom are used to agree with the previous speakers found 4 idiom words, the third, idiom are used to comment on people found 23 idiom words, the fourth, idiom are used to comment on a situation found 7 idiom words.

5.2 SUGGESTION

After getting the result of the analysis, the writer would like to give some suggestion as follow:

1. For the students

Learn about idiom words could give them more knowledge and benefit in referring the idiom meaning and it's really helps them to be able to distinguish the types according to their respective functions.

2. For the lecturer

This study could help to improve the lecturer knowledge about idiom words especially in local language.

3. For the other researcher

For researchers who are interested in researching idiom in local language more specific one can use as a reference.
