

CHAPTER V

CONCLUSION AND SUGGESTION

This chapter deals with the conclusion and suggestion related to the research finding and discussion. For the purpose, the research will explain the conclusion or research problem and suggestion to the parents and the further researcher.

5.1 Conclusion

From the data that writer analyzed, according to the research problem mentioned in chapter 1, the conclusion can be arranged the research question is what are parents support toward students online learning during pandemic covid-19?

The research found that support parents support the students toward online learning during pandemic covid-19 follows: The first are role, where The first is the role, in which parents play an active role in guiding and guiding their children when learning from home. The second is facilities, parents not only provide facilities in the form of cellphones and internet data but parents must also be ready to help children when lessons are in progress and children experience difficulties such as lack of adequate network access, third motivation, parents always provide good motivation to children so that children have enthusiasm while learning, the last influencer is the influence of parents in guiding and educating children is very important so that the good things that are instilled in children can do that.

5.2. Suggestion

Based on conclusion above, the suggestion related to the research findings are effort for parents support and the other researcher. The researcher hope that are the result of this study can be used as experiences and reference for the other researcher.

These are the suggestion:

1. For Parents

The parents must know the children needed in advance in order to choose what the support used in online learning process in order to be able to more effective. Parents can used this study as support process based on online.

2. For other Researcher

Learn more, and understand about the support parents. If you want to be a good researcher find out something and interest to develop

3. For Redears

Find more information that can develop understanding about support parents.
