

## CHAPTER V

### CONCLUSION AND SUGGESTIONS

This chapter presents the conclusions and suggestions of the study. The conclusions were drawn based on the findings of the study. Some suggestions were also provided for readers particularly those who are taking translation studies.

#### 1.1.CONCLUSION

After analyzing the meanings and values contained in the lyrics of the farewell *Bonet* dance, the researcher came to several conclusions. Based on the analysis in chapter 4, there are 30 lyrics in the farewell *Bonet* dance. The findings show that there are 5 types of meaning, namely: didactic meaning (6 lyrics), sociological meaning (11 lyrics) historical meaning (10 lyrics), cultural meaning (2 lyrics), and aesthetic meaning (1 lyric). The 4 types of values contained in the farewell song lyrics are: Ethical values (18 lyrics), Aesthetic value (1 lyric), Religious value (2 lyrics), social values (lyrics 9).

#### 1.2.SUGGESTIONS

Based on the above conclusions, the authors recommend the following suggestions:

1. For the local government

The government must develop an oral tradition and it must be preserved, so that this tradition will not be lost.

2. For students showing the traditional *Bonet* dance

Students need to be aware of the importance of maintaining the cultural tradition of the dawani tribe while maintaining with every meaning and value contained in the farewell song lyrics.

### 3. The next researcher

The next researcher is to be able to do further and more in depth research on cultural wealth, especially the culture of dawan tribe.
