

ABSTRAK

Judul Skripsi Penulis adalah: Deskripsi Tentang Penyelesaian Sengketa Desain Industri Oleh Pengadilan Niaga. Masalah penelitian penulis adalah: Mengapa putusan hakim dalam suatu desain industri ada yang dikabulkan dan ada yang tidak dapat diterima. Jenis Penelitian yang digunakan adalah penelitian normatif yang bersifat deskriptif yakni dalam hal ini penulis mendeskripsikan atau menggambarkan, menguraikan serta menjelaskan. Data yang digunakan adalah data sekunder dengan tiga bahan hukum yaitu bahan hukum primer, bahan hukum sekunder dan bahan hukum tersier. Teknik pengumpulan data dalam penelitian ini menggunakan studi kepustakaan, yaitu merupakan kegiatan untuk menghimpun informasi yang relevan dengan topik atau masalah yang menjadi objek penelitian.

Berdasarkan hasil penelitian di sampaikan bahwa: Alasan hakim tidak menerima karena dalil permohonan penggugat kabur (*Obscuur libel*) dan alasan hakim mengabulkan karena pengugat dapat membuktikan dalilnya dalam persidangan dan gugatan termasuk dalam pokok perkara.

Saran Penulisan skripsi ini : Bagi pihak yang berperkara sebaiknya perlu memahami obyek gugatan secara benar baik secara formil dan materilnya sebelum mengajukan suatu gugatan desain industri dan bagi hakim terus meningkatkan profesionalisme sesuai dengan tugas dan tanggungjawab dalam memberikan pertimbangan hakim yang berkualitas dan transparan sesuai dengan obyek gugatan dan perkara yang disengketakan oleh para pihak.

Kata Kunci: *Sengketa, gugatan diterima dan gugatan kabur*

ABSTRACT
