

ABSTRAK

Judul Skripsi: Deskripsi tentang tindak pidana persetubuhan terhadap anak. Rumusan masalah yang penulis teliti adalah: 1. Faktor apa yang menyebabkan pelaku melakukan tindak pidana persetubuhan terhadap anak?, 2. Mengapa terjadi disparitas putusan terhadap pelaku dalam tindak pidana persetubuhan terhadap anak?. Tujuan penelitian ini adalah: 1. Untuk mengetahui faktor apa yang menyebabkan pelaku melakukan tindak pidana persetubuhan terhadap anak 2. Untuk mengetahui penyebab terjadinya disparitas putusan terhadap pelaku dalam tindak pidana persetubuhan terhadap anak.

Penelitian ini bersifat deskriptif dan Jenis penelitian adalah penelitian normatif. Variabel penelitian yang digunakan adalah variabel bebas dan variabel terikat. Variabel bebas dalam penelitian ini adalah: Alasan pelaku melakukan tindak pidana persetubuhan terhadap anak, juga alasan terjadinya disparitas putusan hakim dalam pelaku tindak pidana persetubuhan terhadap anak. Variabel terikat dalam penelitian ini adalah putusan pengadilan dalam tindak pidana persetubuhan terhadap anak.

Berdasarkan Hasil penelitian yang penulis lakukan, maka adapun kesimpulan yang diperoleh yaitu: 1. Alasan pelaku melakukan tindak pidana persetubuhan terhadap anak, 2. alasan terjadinya disparitas putusan hakim dalam pelaku tindak pidana persetubuhan terhadap anak, karena: Perbuatan terdakwa telah terbukti secara sah dan meyakinkan bersalah melakukan tindak pidana.

Saran dari penulis: Pemerintah perlu mengintensifkan program pencegahan tindak pidana persetubuhan terhadap anak melalui edukasi seksual di sekolah dan masyarakat, mengingat faktor pemicu seperti pembuktian cinta, mabuk alkohol, nafsu seksual, serta ketidakharmonisan rumah tangga sering muncul dalam kasus yang dianalisis. Selain itu, alokasikan anggaran untuk rehabilitasi korban, termasuk konseling psikologis dan dukungan ekonomi bagi keluarga, guna memulihkan trauma berkepanjangan yang dialami anak korban.

Kata Kunci: Tindak pidana, persetubuhan, anak.

ABSTRACT

Thesis Title: Description of the crime of sexual intercourse against children. The formulation of the problem that the author is researching is: 1. What factors cause perpetrators to commit the crime of sexual intercourse against children?, 2. Why is there a disparity in punishment for perpetrators in the crime of sexual intercourse against children? The purpose of this study is: 1. To find out what factors cause perpetrators to commit the crime of sexual intercourse against children. 2. To find out the causes of the disparity in punishment for perpetrators in the crime of sexual intercourse against children.

This research is descriptive and normative. The research variables used are independent variables and dependent variables. The independent variables in this study are: The reasons for the perpetrators of committing the crime of sexual intercourse with children, as well as the reasons for the disparity in judges' decisions in the case of perpetrators of sexual intercourse with children. The dependent variable in this study is the court's decision in the case of sexual intercourse with children.

Based on the results of the research conducted by the author, the following conclusions were obtained: 1. The reasons why the perpetrator committed the crime of sexual intercourse with a child, 2. The reasons for the disparity in judges' decisions regarding perpetrators of the crime of sexual intercourse with a child, because: The defendant's actions have been legally and convincingly proven guilty of committing a crime.

The author's suggestion: The government needs to intensify programs to prevent child sexual abuse through sexual education in schools and the community, considering that triggers such as proving love, alcohol intoxication, sexual desire, and marital disharmony frequently appear in the cases analyzed. Furthermore, allocate funds for victim rehabilitation, including psychological counseling and economic support for families, to help heal the long-term trauma experienced by child victims.

Keywords: Criminal acts, sexual intercourse, children.
