

## CHAPTER V

### CONCLUSIONS AND SUGGESTIONS

#### 5.1 Conclusions

This subchapter presents the conclusion of the study. It is like a summary of what has been found in the data analysis. The data goes to the findings of Metaphors expressed in *Hamayang (a ritual prayer)* of East Sumba People. There are metaphors and two literal and metaphorical meanings.

#### 5.2 Suggestions

The suggestions that the writer presents here goes in line with the significance of the writing and the result of the data analysis. The suggestions would be offered to many persons; both as a personal or institution in accordance with their role, responsibility, capacity, and capability, such suggestions follow:

1. There are many things dealing with metaphor in *Hamayang (a ritual prayer)* of East Sumba People that have not been analyzed. This writing just focused on metaphors in *Hamayang (a ritual prayer)* of East Sumba people. The writer hopes that this writing enriches the study of semantics particularly on metaphor.
2. As a science, this study can be considered as meaningful scientific thing that functions as local subject in schools and as one of the culture that must be maintained by all components either government and society.etc.
