

CHAPTER V

CONCLUSION AND SUGGESTIONS

This chapter includes a conclusion and suggestions. The conclusion is relevant to the findings and discussions. The Suggestion contains several notes that are very important in the teacher's strategies in teaching Speaking skills to students.

5.1. Conclusion

Based on the analysis of interview to the teacher, the reasons of the teacher used those strategies were effective in teaching reading comprehension because help the students to comprehend the text. In short, those strategies gave good contribution for teacher, students who have difficulty in reading will be easier in mastering reading comprehension. With used this strategies the teachers more easily gave the material to the students. Those strategies helped the teacher to made the students more active. In addition, the students can exchange their opinion with others.

5.2. Suggestion

Based on the findings of this research, the researcher presented some suggestions for the teachers and future researcher as follow

1. The Teachers

The researcher hope that the result of this research can be used as a reference for teachers about the strategies in teaching reading comprehension especially at SMP Labschool Palu and the teacher should be able to make students learn actively, especially in practicing reading comprehension.

2. The Future Researchers

The researcher expects that there will be other researcher who investigate other aspects relating to teachers' strategies, and hopefully this research will be useful as a reference to their research. Besides, it can also be used by them who carry out and develop similar study.
